

## PORTRAIT AGREEMENT

Please read the following information carefully before signing at the bottom. If you have any questions at all, don't hesitate to ask us.

Your session fee is due before the session begins. The session fee pays for the photographer's time and talent. If you need to reschedule, please try to telephone us at least 48 hours before your session. If you are having your session at an outdoors location the photographer may suggest rescheduling due to bad weather conditions, etc.

Print and product prices are subject to change at any time. The prices that are in effect at the time of your session will be valid for 30 days after your session. Print orders must be paid for in full at the time of ordering. Each image is printed to order and cannot be changed or canceled after payment has been made. Orders placed within 48 hours of online gallery posting will receive a 10% discount. Your online gallery will be removed after 14 days. There will be a \$30 reloading fee if you wish to have your gallery available for an additional 14 days . All sales are final.

We keep all ordered images on file for one year from the date of your initial order. Images that are not ordered at that time will be discarded after 30 days. There is a \$100 minimum order for reprints.

Copyright for these images is the sole property of Angels Touch Photography and protected by Federal Copyright Law. It is **ILLEGAL** to reproduce these images in any way without written permission from the photographer. This includes scanning or downloading images for the purposes of emailing or printing them at home. Doing so may result in fines up to \$150 000. We ask that you respect our art and livelihood, and the laws set in place to protect them.

Please do not bring your camera to the session or allow any family members to do so. Extra cameras can be distracting and slow down the session. If this situation occurs, the photographer reserves the right to terminate the session.

If the photographer cannot fulfill this agreement due to causes beyond the control of the parties involved, or in the event that photographic materials are

lost or damaged, without fault on the part of the photographer, the client shall have no further liability regarding this agreement. In such cases, Angels Touch Photography is not liable. Please see our reshoot policy.

The client releases Angels Touch Photography from all liabilities, claims and damages that may result from any accidents or incidents that may happen during the session, except to the extent that the accident or incident is the direct cause of the photographer's willful and careless conduct.

We have included a copy of our business policies for you to read.

By signing below I acknowledge that I have read this entire agreement and fully understand the contents.
